

Thanks for a Great Year!

Thanks to all our district and school teams for a great 2016-2017 school year! The SET-BC team has really appreciated the opportunity to support your classrooms and students and have enjoyed being part of the many examples of inclusive practices all over the province. We wish you a happy and relaxing summer vacation and look forward to working with you in 2017-2018!

Are you looking ahead to integrating technology with your students next year? Check out our many Professional Learning Resources [here](#).

Are you looking for inspiration from other BC educators? Check out the amazing work done by our Provincial Project teams [here](#) or enjoy the many SETstories posted to our blog [here](#).

See you in September!
