

Welcome to 2018-2019!

We hope you had an enjoyable and relaxing summer break and that the start of your school year is going well.

Everyone at SET-BC is looking forward to supporting your school and district teams' use of technology tools as we partner in the creation of truly inclusive educational experiences for all students.

September is a busy month for everyone but here are some stories, resources and a September 21st Professional Learning opportunity you can pass on to your staff and colleagues. As the year moves forward, if you have any questions about SET-BC services, please contact us at servicedelivery@setbc.org.
