

Theme Board example - ordering at McDonald's

Swimming is finished!

time for my favourite snack

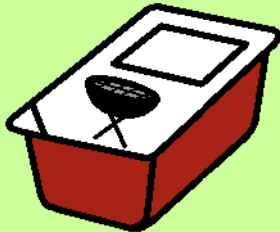

I can order by myself.

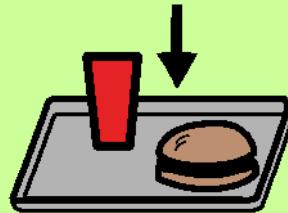

I would like 6 McNuggets

Honey sauce, please.

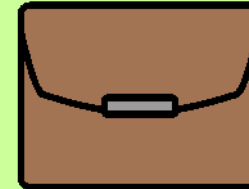

for here

small Coke, too.

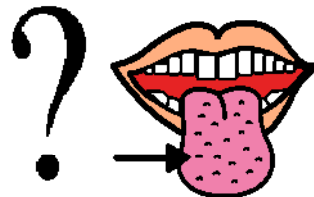

Please take the money out of my wallet.

These taste good.

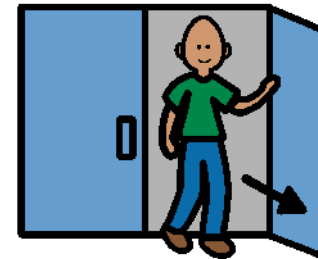

How does your food taste?

I need a napkin.

Let's go.

Provide theme boards during the activity. Model the use of AAC by pointing to a symbol as you say the phrase and carry out the action. Theme boards are appropriate for students learning to use AAC, and for students who cannot manage more than one page of vocabulary.
