

Talking Book Camp: Information and Confirmation

Thank you for registering for the upcoming Talking Book Camp. As we move into final preparations for the day, we need to confirm your attendance and gather some important information on the student you will be supporting on that day...

Date:

Location:

SET-BC consultant contact:

Camp Information:

This half day camp is designed for students in grades 2 - 12 who have the potential for using Clicker 6 somewhat independently (that is, they are able to learn how to use the program's features to their advantage). Students do not require prior experience using the program. Activities for the day will focus on developing skills in the following areas:

- Navigating within the Clicker 6 program
- Dragging and dropping files and images
- Writing words and sentences or using sounds and dialogue to demonstrate knowledge about a chosen topic
- Demonstrating their knowledge of the program by sharing their story with others

The camp will consist of a combination of direct instruction, small group tasks and fun activities. **To ensure maximum participation in the day, please ensure you and your student bring the following to camp...**

1. A lunch (if desired) (we will provide snacks only). Camp will conclude at 12 noon.
2. Depending on weather, warm clothes and walking shoes – will likely (weather permitting), take some outside breaks for fresh air
3. A USB flash drive to save any files you would like to take away with you

 **NOTE! Please complete the following pages to confirm your attendance at the Camp and to give us important information to ensure the two days are successful for your student.**

If you have any questions about the Camp, don't hesitate to contact me at _____ [@setbc.org](mailto:_____@setbc.org). I look forward to working with you!

Clicker 6 Talking Book Camp Date: [Click here to enter text.](#)

Student Information and Confirmation

- We will be attending the Talking Book Camp.
- We will not be attending the Talking Book Camp.
 (Please let us know – there is a waiting list of students)

SET-BC Photo Consent Form

Dear parent/guardian:

SET-BC highlights student successes and shares resource materials that include student examples for educational purposes. We use this information in our training programs and presentations, in publications, and for resources and training on our websites. All materials are used in positive ways to promote awareness of the benefits of assistive technology for students with special needs.

Your child is currently receiving, will be receiving, or has received services from Special Education Technology – British Columbia. We request permission to profile your child or your child’s work in a variety of SET-BC mediums.

I, _____, grant permission for Special Education Technology - British Columbia (SET-BC) to take photographs and/or videos of my child, or use my child’s materials for:

- Training activities and publications
- Information, resources and training on SET-BC’s websites

Student’s Name: _____
