

Student Activity Day Workshop: Making Talking Books with Clicker 6

This Talking Book Camp package is designed to help SET-BC consultants instruct a half day student based workshop using Clicker 6 for either Macintosh or Windows.

Objectives:

1. SET-BC students from grades 2 to 12 will learn to independently use Clicker 6 to create talking books with support from an assisting adult.
2. SET-BC students' books can be submitted to SET BC website for publication.

Workshop Content:

1. Equipment List
2. Preparation Checklist
3. Learning Objectives
4. Information/Registration Forms
5. Day Plan/Agenda
6. Lesson Plans
7. Workshop Handouts (i.e. e-text, worksheets)
8. Support Materials
9. CD with images and sounds
