

Instructions for Cool Communicators & their friends

1. Find your names on a table, drop your coats, lunches and gifts, and introduce your friend to the other members of your group!
2. At **10:00 a.m.**, go to your first station, as listed on your schedule below.
3. **Listen for the bell** to know when to go to your next station.

🌟 **Station #1: Cookie decorating:** You must tell the baker which type of cookie you want, and then how you want to decorate it – i.e. what color of icing, what candy shapes you want, what you want written on it, etc.

🌟 **Station #2: Twister:** Follow instructions from the station master!

🌟 **Station #3: Lotto:** cool communicators and their friends take a **Lotto Board** and ask one of the following questions to each of the people pictured on the board:

“What is your favorite color?”

“What is your favorite movie?”

Fill in the answers on the board. Take the completed board to one of the elves at the Lotto table and see what happens!

🌟 **Station #4: Charades:** Take turns acting out Christmas words for your group members to guess! Happy hammin’ it up!!

🌟 **Station #5: Guess Who:** Try to guess who the disguised cool communicators or their helpers are!!

🌟 **Finale: Gift Exchange:** Return to your group table to exchange gifts. Draw numbers to determine the order of choosing a gift. When it’s your turn to choose a gift, you must describe the gift you want (i.e. “I want the bag with a snowman with a purple scarf”). When all the gifts are taken, you may trade with someone else, if they would like!
