

## Shape of the Day for November

### 1. ARRIVAL/GREETINGS

#### 9:00 MORNING GREETING:

- Greet each other;
- Introduce new students and SEAs;
- Review shape of day;
- Calendar and weather;
- News – does anyone have any news?
- Sharing – today we are going to be talking a lot about animals and food. Does anyone have an animal at home? An animal that lives with you at home is called a pet. Did anyone bring a picture of their pet? What kind of animal is your pet? What is it's name? What kind of food does your pet like? What do you and your pet do together?

#### 9:30 WORK: "Our Pets"

- Separate into groups.
- Each group is going to choose a pet to take care of during the day. One student from each group will choose a pet from the bag. Then each group will discuss their pet and how to take care of it.
  - Points to consider:
    - Type of pet
    - Name
    - Where it lives/sleeps in your house
    - What it eats/drinks
    - What it plays with
    - What exercise it needs
    - How you keep it clean and healthy
    - What's special about it
