Google Forms

Introduction

Google Forms is an online tool available in Google Chrome to help you create a form such as survey form, quiz, contact information, and many more. Forms allow you to easily gather information online.

Integration Ideas

- Quiz
- Survey
- Exit Ticket
- Assessment
- Student directory
- Student profile
- Contact information
- Course evaluation
- Worksheet
- Event registration
- Party invite
- RSVP
- Feedback

Task Challenge/Activity

- Open a Google Chrome web browser.
- Sign in using your Gmail account.
- Type Google Forms in the search bar or go to https://www.google.ca/forms/about/.
- Click the Go to Google Forms button.
- Click a Blank form to start a new form.
- Give your form a title by clicking Untitled Form.
- Create questions. Pick a question type by clicking the drop-down menu next to Untitled Question.
- Change the background of your form by clicking the Color Palette.
- Preview your form.
- Share your form with your colleague(s) or students.
