

World Book-Advanced Using Built-in Text to Speech

** Thanks to SD#71 for partnering with us to develop this helpful resource!

ABOUT: In this activity, participants will learn how to use the built in text to speech reader

WHAT YOU WILL NEED: Your article open in World Book Advanced

1	<p>Click on gear icon to open the tools and settings window.</p> <p>Click on Text-to-speech.</p>	 
2	<p>Place your cursor in the article text and click to begin reading aloud.</p>	

<p>3</p>	<p>To increase or decrease the speed click on the faster or slower options in the Read-aloud Toolbar.</p>	 <p>The screenshot shows a 'Read-aloud' toolbar with a close button (X) in the top right corner. Below the title, there is an instruction: 'Place your cursor in the article text and click to begin read-aloud.' The toolbar contains a dropdown menu with three options: 'Faster', 'Faster', and 'Slower'. A red arrow points to the first 'Faster' option. To the right of the dropdown is a red 'STOP' button.</p>
<p>4</p>	<p>Click on Stop to stop reading and the X to close the built in "Enable read-aloud toolbar"</p>	 <p>The screenshot shows the same 'Read-aloud' toolbar. Two red arrows point to the 'STOP' button and the close button (X) in the top right corner.</p>
