Instructions Snap

How to make snap

- Print out one copy of each board on A4 paper.
- Laminate each board
- Cut up each board to make the cards
- Put in a zip lock bag to keep all the pieces together

How to play snap

- You will need two, three or four players.
- Deal all the cards out between the players, so that none are left.
- Each player puts down a card face up
- The next player puts one beside it to form two piles of cards or on top of it (this is more difficult)
- When two cards the same are spotted the player shouts 'snap', if they are correct then they receive all those cards.
- A player is out of the game when they have no cards to put down.
- Winner is the player with the most cards

Variations on snap

- Use pictures of the pupils in the class or school
- Use pictures of the school and local environment
- Use pictures from the internet on topic that the pupils find interesting, wwf, pokemon, Harry Potter, Lord of the Rings etc.
